State of Michigan  
House of Representatives Judiciary Committee

Dear Honorable Members,

I am writing to you today on behalf of Michigan Gun Owners to ask that you NOT recommend SB 53. SB 53 will give more rights to a special group.

As of right now there are 14 special classes of individuals who are exempted in PFZ's. Over the years we have heard that these special exemptions will help clear the way for the elimination of PFZ's altogether. Special classes are not pro-gun, they are anti-gun owner. Special classes do not and have not helped the general gun owner, and any vote for a special class will be seen as a vote against the general citizen gun owner. Well it has been 14 years and we are still waiting.

It is time to stop special treatment and end PFZ's completely. PFZ's are nothing more than criminal empowerment zones. Criminals know there will be nobody with the ability to stop them in these areas.

Sincerely,

David Dellinger
